Email/Telephone of the contact person	+393491016248 progettazioneeuropea@gmail.com
Short presentation of your organization (key activities, experience)	<p>The municipality of Contursi Terme is an Italian town of 3,418 inhabitants in the province of Salerno in Campania, Southern Italy. The municipality has always favored the management of cultural activities and exchanges between the various Italian and foreign communities. By numerous trips abroad activated, even at the European Parliament, it appeared necessary to make citizens feel more European. It has also benefited from European Structural Funds for the implementation of cultural projects. It was the applicant in partnership projects for the organization of major events such as "The Prize Contursi Terme open to the East", which already in the title, it addressed to the citizens of the States of new accession in the European Union. The vocation to deal with other cultures, economies and societies is evidenced by the presence in our town of one of the first Unesco clubs, cultural and social exchanges implemented with the assistance of associations such as the "Afsai". There are already candidates to the call "Town Twinning", deadline March 1, 2016, with the project called "Tidy" (Together in Diversity), and we are waiting for verification by the Commission.</p>
Description of the project	
Strand, Measure in the framework of „Europe for Citizens” Programme	Network of Towns
Timetable of the project	September, 1, 2016
Short description of the project, including its	The City of Contursi Terme intends to present a

<p>aims</p>	<p>joint project with other local partners. A European project with this priority: Solidarity in times of crisis. The will of this public body is to highlight the need for a reciprocal generosity among the peoples and citizens of Europe, trying to analyze the effectiveness and any critical issues of current instruments in the European states. With this in mind, we want to develop together with other European cities a network to discuss and assess the possibility of extending more and more horizontal model of solidarity, adhering more and more to a subsidiary vision of voluntary work organization systems. For this purpose it is necessary to implement a set of related initiatives between several municipalities in different Member States which are part of the European Union, to be able to articulate together a proposal compatible with the programs of the European Commission.</p>
<p>Role of the partner organization in the project</p>	<p>The project involves the participation of 5 European cities and 5 associations and foundations that deal with solidarity.</p> <p>Organized events will be five, one for each city, with the participation of 80 people and a budget of EUR 100,000.00.</p> <p>The project includes 5 events organized by partner cities structured as follows:</p> <ol style="list-style-type: none"> 1) Identification of the problem 2) What is the solution to identify the limits 3) How to overcome the limits 4) Subsidiarity, as structuring 5) Activities to achieve it <p>Each partner city should organize an event for every theme, managing a budget that we will define later.</p>
<p>Comments from the applicant</p>	<p>We would like to build a partnership with a City of your State, whether to participate in this call, which to participate with other European programs, such as LIFE and HORIZON.</p>
